

## **SUBSIDY PROGRAM AGREEMENT**

This Subsidy Program Agreement ("Agreement") is made and entered into as of the last signature date set forth below, by and between the City of St. Regis Park ("City") and Ring LLC, a Delaware limited liability company ("Ring"). City and Ring are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

### **RECITALS**

WHEREAS, Ring produces security cameras, video doorbells and alarm systems for residential use which link smartphone users to their devices.

WHEREAS, with this technology, the homeowner has the capability to see, hear and speak to visitors through their smartphones, tablets or desktops.

WHEREAS, the City desires to collaborate with Ring to establish a subsidy program whereby City residents can purchase Ring's security cameras, video doorbells and alarm systems for use at residences within the City at a discounted price to enhance security and safety in the community.

WHEREAS, the subsidy program will be operated on a first-come-first-served basis.

WHEREAS, the subsidy program will be administered separate and apart from any other program or agreement between Ring and the City (or any agency or subdivision thereof), including, without limitation, any law enforcement agency's participation in Ring's Neighbors application.

WHEREAS, the City finds that the dedication of public funds under this Agreement will serve the safety of City residents, an issue of important public purpose.

### **OPERATIVE PROVISIONS**

**NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the Parties agree as follows:**

1. **Recitals are Part of Agreement.** The preceding Recitals are part of this Agreement.
2. **Ring Obligations.** Ring agrees to do the following in furtherance of this Agreement:
  - a. Ring will collaborate with the City on the distribution and marketing of the Ring Door View Cam, Ring Video Doorbell 2, Ring Video Doorbell Pro, Ring Spotlight Cam Wired, Ring Spotlight Cam Battery, Ring

Floodlight Cam, Ring Alarm, Ring Spotlight Cam Solar, Ring Stick Up Cam Wired and Ring Stick Up Cam Battery (each, a “Product” and collectively, the “Products”) to residents of City (“Residents”).

- b. During the Subsidy Period (as defined below), Ring will directly provide 100 unique subsidy codes (“Subsidy Codes”) to Residents with a \$100.00 discount off the sales price for one (1) of the Products at checkout. Each Resident is entitled to only one Subsidy Code. Each Subsidy Code may only be used once per household. Only codes sent to the resident through Ring communications channels will be valid. Subsidy Codes shall only be redeemable for Products being sold at full price, and may not be redeemed for Products that are on sale or are otherwise being offered at a discount. Subsidy Codes may not be combined with any other offer.
- c. During the Subsidy Period, the Subsidy Code may be redeemed for a discount of \$30.00 per product to apply towards the purchase of any additional Products with a limit of 2 additional Products per checkout. During the Subsidy Period, the Subsidy Code may be redeemed for a 20% discount towards any accessory listed on the company’s website with a limit of 3 accessories at checkout. Such discounts shall only be redeemable for Products being sold at full price, and may not be redeemed for Products that are on sale or are otherwise being offered at a discount.
- d. Ring will fulfill orders for Products when Residents provide information and payment required using the information required for Ring to complete delivery of the Product (including name, address, email address, etc.). Standard delivery shall be in accordance with Ring’s then-existing shipping policies. Ring will use commercially reasonable efforts to ship the Products within three (3) business days from date the order was placed.
- e. Ring will provide product and user support to Residents who purchase Products, including warranty for the security device(s) and, if the resident chooses to, the option to hire someone to install the device(s). These options will be provided at checkout at the user’s expense.
- f. Ring will provide marketing support and materials for City to distribute to Residents, such as brochures and flyers.
- g. Ring shall contribute \$50.00 of the \$100.00 discount specified in section 2.b above.
- h. Within thirty days after the end of the Subsidy Period, Ring will provide the City with an accounting statement (the “Accounting Statement”) setting forth the number of Products purchased using the Subsidy Code during the Subsidy Period and such other information reasonably

requested by City to enable the Parties to determine the City's required City contribution amount, as specified in Section 3.a below.

3. **City Obligations.** The City agrees to do the following in furtherance of this Agreement:
  - a. Within thirty (30) days of its receipt of the Accounting Statement from Ring, City shall pay Ring an amount equal to \$50.00 of the \$100.00 discount specified in section 2.b above for the first Product sold to each Resident household during the Subsidy Period using a Subsidy Code. No other Product is eligible for a City contribution. The maximum contribution payable by the City to Ring under this Agreement shall not exceed \$5,000 (the "Maximum Contribution").
  - b. During the Subsidy Period, the City agrees to make reasonable efforts to promote the program provided in this Agreement on the City's website, social media platforms, such as Facebook and Twitter; issue press release(s), and/or have brochures and flyers available at City Hall for the public. The Parties shall agree to a joint press release to be mutually agreed upon by the Parties. The City agrees it shall not issue any press release related to the program without Ring's prior written consent. All press releases issued by the City shall be made available to the public on the City's website, social media platform, or other platform as approved by Ring.
  - c. The City shall be responsible for verifying the residency and eligibility of Residents. Notwithstanding the foregoing, in no event shall the City impose any requirements or restrictions on any Resident's use of the Products (*e.g.*, City shall not require Residents provide recordings captured by the Products to the City or any agency or subdivision thereof, including local law enforcement), whether as part of a Resident's eligibility or otherwise.
4. **Subsidy Period.** The "Subsidy Period" shall commence on a date mutually agreed by the Parties and shall expire upon the earlier of the following:
  - a. Forty-five (45) days after the commencement of the Subsidy Period; or
  - b. The Maximum Contribution has been reached.
5. **Termination.** Each of the City and Ring reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to the other party, except that where termination is due to the fault of the non-terminating party, the period of notice may be such shorter time as may be determined by the terminating party.

6. **Indemnification.** Ring shall indemnify, defend and hold harmless the City, its officers, officials, employees and volunteers from and against any third party claims, allegations, lawsuits, proceedings, losses, liabilities, damages, judgments, settlements costs or expenses, arising out of Ring's negligence or willful misconduct in connection with performance of this Agreement.

The City shall indemnify, defend and hold harmless Ring, its officers and employees from and against any third party claims, allegations, lawsuits, proceedings, losses, liabilities, damages, judgments, settlements costs or expenses, arising out of City's negligence or willful misconduct in connection with performance of this Agreement.

7. **Limitation of Liability.** In no event will (a) either Party be liable for any loss of data, loss of profits, cost of cover or other special, incidental, consequential, indirect, punitive, exemplary or reliance damages arising from or in relation to this Agreement, however caused and regardless of theory of liability and (b) either Party's aggregate liability for damages or indemnification under this Agreement exceed the Contribution Cap.

8. **Independent Contractor.** Neither the City nor any of its employees shall have any control over the manner, mode or means by which Ring, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Ring's employees, servants, representatives or agents, or in fixing their number, compensation or hours of service. Ring shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Ring shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Ring in its business or otherwise or a joint venturer or a member of any joint enterprise with Ring.

9. **Governing Law.** This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Ring covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

10. **Notices.** Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and sent by email, in the case of the City, to [EMAIL] and in the case of Ring, to August Cziment at [a@ring.com](mailto:a@ring.com) and [legal@ring.com](mailto:legal@ring.com). Either party may change its email address by notifying the other party of such change.
11. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.
12. **Integration; Amendment.** This Agreement is the entire, complete and exclusive expression of the understanding of the Parties. It is understood that there are no oral agreements between the Parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the Parties, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by Ring and by the City. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.
13. **Assignment.** City will not assign this Agreement, in whole or in part, without Ring's prior written consent. Any attempt to assign in violation of this section is void in each instance. Ring may assign this Agreement (or any of its rights and obligations under this Agreement): (a) to any of its affiliates; or (b) in connection with any merger, consolidation, reorganization, sale of all or substantially all of its assets or any similar transaction. All the terms and conditions of this Agreement will be binding upon, will inure to the benefit of, and will be enforceable by the Parties and their respective successors and permitted assigns.
14. **Severability.** In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.
15. **Corporate Authority.** The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the

provisions of this Agreement, and (iv) that entering into this Agreement does not violate any provision of any other Agreement to which said party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.

That being said, I have sent the contract to you signed by the Mayor, I am just wanting to make sure we are ready to go once you get whatever it is done on your end. I am hoping to have some more info to bring to the next council meeting. All the other council members and many residents have been bugging me for updates.

Once we sign the contract will be executed, meaning it is signed by both parties. I assume that council approval generally happens prior to the agreement being signed. Do you have any indication of a launch date?

Yes, the council has approved, the mayor could not sign it unless that happened. A few weeks ago, we were hoping for an August 1st launch, but I would say towards the end of August would be good now to allow plenty of time for marketing and such.

## Ring wants to help reduce crime in your city!

Ring is excited to propose a solution to help prevent residential burglaries and assist in the investigation of crimes in your community

### Overview

In an effort to reduce local crime and make our neighborhoods safer, Ring has successfully partnered with cities nationwide to implement a home security subsidy program. The subsidy program incentivizes residents to purchase Ring devices at a discounted price, so we can make smart home security accessible to everyone.

### About Ring

Ring is on a mission to reduce crime in neighborhoods. Ring Video Doorbells and Security Cameras send you instant alerts on your phone whenever motion is detected. You can see, hear and speak to people on your property from anywhere. If you catch something suspicious, Ring also lets you share the videos with neighbors and local law enforcement, so you can work together to reduce local crime.

## Program Details

Ring will give residents \$50 off any Ring Video Doorbell or Security Camera, and the city will match that offer with a \$50 subsidy. Together, we can offer a \$100 discount on Ring products to help residents protect their homes and reduce crime in their neighborhoods. All programs are custom to each location. A minimum investment of \$10,000 from the city, which covers 200 households, is suggested.

Ring allows residents to work together with neighbors and local law enforcement to reduce crime in neighborhoods, so we can help make our communities safer for all.

Hi Mr. Theis,

Thank you for reaching out. Out of curiosity, how did you hear about the program? I think with a 600 person neighborhood you would be great to start with a 100-200 household pilot which is \$5,000-\$10,000.

The way the program works is that Ring will give residents \$50 off a Ring device of their choice and the city will match with a \$50 subsidy. Together we can offer \$100 off to residents so that they can protect their homes.

Attached is more information on the program.

Thank you!

Thanks for the email in return. We heard about it by reading press releases from other cities. While we live in a very safe city, we have neighboring cities with some issues. This is a hot button issue for the city and we'd like to nip it in the bud. Several council members including the mayor have a ring doorbell. I'll take a look at the paperwork and get back.

Hi Stacey,

Discussed at length in the Council meeting last night, and would like to get more details on how the process would work. The council was very receptive to the idea and our Mayor has a ring doorbell already. My city clerk was especially concerned about the need to write up to 200 checks for doorbells. Please provide an outline for the process.

Looking forward to hearing from you soon.

Craig,

Thanks for the time this morning. I am excited about our potential launch and glad that council and city members seem excited. It's a great program and the Ring team offers full service program management so that it's really easy for the city to get started. I found the link to our Amazon Home Services installation of Ring devices. It looks like prices range from \$67-\$129 (but that varies on location). Here is the link - [https://www.amazon.com/b/ref=vas\\_gurus\\_sec\\_ring\\_install\\_lp\\_shurl?node=17925322011](https://www.amazon.com/b/ref=vas_gurus_sec_ring_install_lp_shurl?node=17925322011)

The next step would be getting you a copy of our agreement. In order to produce this, I would need to know the maximum amount of funding you have for the program. The funding is determined by \$50 per household. I also need the name and email of the person who will sign the agreement.

Do you know if your city will accept docusign?

Thank you,

Please let me know the next steps. Our mayor has requested the agreement be reviewed by our city attorney and then he will sign. One of the council members inquired if there were any type of Ring Neighborhood signs or something that had been done in the past? I will be spearheading marketing, so can you give me any tips from other cities, we want as many people as possible to sign up!

Hi Stacey,

Wondering if we have to contract ready? Additionally, I am making a short infographic release for our city newsletter regarding our program. Can you explain in a few words exactly how a resident would sign up? Do they go to a website and fill out the request form or can we distribute one? Then your company reviews and gives them a code right? Finally, will they be able to arrange the optional install directly on the ring website with the Amazon partner? or do they buy it from Amazon with the code, also what products is it usable for, just doorbells or floodlight cameras too? (we are ok with it being used for whatever)

Looking forward to your answer so I can get it put together before the newsletter deadline

Thanks so much

Craig Theis  
Council Member, City of St Regis Park, KY

Hi Craig,

Attached is the agreement. The residents would apply through a form on the city website. Ring team manages this form and they distribute codes to residents once they are verified as a residents based on the city's eligibility requirements. Would it be possible to see this infographic before you distribute it?

For installation help, please refer to [www.ring.com/installmyring](http://www.ring.com/installmyring) . installation is not included, but assistance is available. All items must be purchased on [ring.com](http://ring.com).

Thank you!

Our city attorney has asked if it is possible that section 9 of the agreement could be modified to either Arbitration via the American Arbitration Association or to be changed to Kentucky?

Thanks

Not surprising that they would not agree to any change. Its not that big of a contract, I would just go ahead with it.

If there was more money at risk, I would advise otherwise, simply because there is no cost-effective way to protect yourself in a California court .

**St Regis Park KY Subsidy Online Launch**

Craig,

Ring is excited for your subsidy launch on August 15th. The program will expire September 29th or when the funding is exhausted. The program will launch online on August 15th at 8am. The city will post an application form managed by Ring where residents can apply. Once residents apply, the Ring team will ensure they are a resident based on the map/shape file of your city provided by the City of St Regis Park.

Ring team members will send codes redeemable at checkout only on ring.com M-F at 3pm PST. If residents need assistance, they should email [partnerhelp@ring.com](mailto:partnerhelp@ring.com). I would not suggest they call our 800 number because those agents do not specialize in subsidy programs.

Please fill out the press release and send it back so that our PR team can sign off on it. Once approved, it would be best to post on August 8th. If you any questions, please don't hesitate to contact me.

Thank you,

--

Stacey,

I was not aware residents would not be able to purchase the original ring doorbell. That was not outlined in the contract or previous emails. The contract States items that are regular price? I am extremely confused as this was part of the selling point to the council that we could provide a doorbell at almost no cost to the citizens? Can you advise if this is correct according to the press release?

Mr Theis,

In the agreement we list the devices that in included in the program. We cannot offer the original doorbell since this is already on sale, so this item is not regular price.

I think we have a problem. Your website does not list it as a sale price (as of 2 minutes ago) and the ring doorbell2 is available from many vendors for substantially less (cursory glances show as low as 139) I am not sure how this would be a good use of our funds. We may need to reconsider

This is included - <https://shop.ring.com/collections/video-doorbells/products/video-doorbell-2>

This doorbell is not <https://shop.ring.com/collections/video-doorbells/products/video-doorbell> the.99 indicates that it is on sale. Throughout our conversations I clearly laid out which devices were included in the program and they are also listed on the agreement. Please let me know how you'd like to proceed. We will not be able to offer the classic \$99 doorbell.

Thank you,

Craig,

The question of the classic doorbell is my number one question I get when discussing this programs. I am always very cautious about stating which products are included so there is not confusion. I do not at all mean to insult you and apologize if that came across. I apologize that you are disappointed, but unfortunately I am not permitted to include this item per Amazon's finance team. I know that a lot of people wish that it could be included in the program. I still believe that \$100 off is a very motivating discount. Products included retail from \$179.99 to \$249 so with a \$100 savings a great camera is available to your residents for \$70 off.

Thank you for understanding.

Everyone-

I have attached a word file with the press release and details of the Ring Partnership- Mr. Wheatley, I would like to get this posted today or tomorrow morning if possible to the website. (thanks so much in advance) Once it is posted, we can then use our respective communications platforms to advise residents to check the website for details. The launch is on the 15th of this month...

If you have any comments or concerns, let me know. I am excited that this is finally coming together!

Thanks

Craig

If you don't have Word available, I am adding the text of the press release below to make life easy-

**St. Regis Park, KY Announces 'Ring' Partnership and Subsidy Match Program for Local Residents**  
*Initiative aims to reduce crime in neighborhoods through investment in affordable, easy-to-use, and effective smart home security*

**St. Regis Park, KY – 08/15/2019** – St. Regis Park today announced its partnership with Ring and details for their joint subsidy match program that will provide discounts for local residents who wish to purchase select home security devices. During the program period beginning August 15, St. Regis Park residents will have the opportunity to receive a \$100 discount code funded by the City and Ring. The approved \$5,000 from the City combined with \$5,000 provided by Ring will enable 100 residents to participate in the program on a first-come-first-served basis.

"We are thrilled to partner with Ring and be able to continue to contribute to the safety and well-being of our citizens," said Mayor Brandt Davis. "We are big fans of Ring and this program truly fits what we are passionate about - protecting our citizens and their homes and continuing to make St. Regis Park a great place to live."

### About the St. Regis Park Subsidy Program

The subsidy program will incentivize the purchase of Ring Video Doorbells and security devices which connect to the user's smartphone or tablet via the free Ring app (iOS/Android). Residents are then notified when the motion sensor is activated or if someone rings their doorbell, or they can choose to view the camera's live video feed at any time. Optional video subscription services are available for purchase to residents who want to save their Ring videos to view or share them at a later time.

### How to Participate

- The promotional period for the program begins **August 15** and will run until **September 29** or until the funding limit is reached.
- To receive a promotional discount code, residents must apply via an application posted on the City website available [here](#).
- Ring will then provide discount codes to eligible residents via email once daily, Monday-Friday at 3:00pm PT

- Promotional codes can only be redeemed at checkout at Ring.com. Please note that addresses will be verified to ensure the location is within City limits.
- St. Regis Park residents will have the opportunity to purchase the following devices with a \$100 off of the retail price:
  - Video Doorbell 2
  - Video Doorbell Pro
  - Spotlight Cam Solar
  - Spotlight Cam Battery
  - Spotlight Cam Wired
  - Floodlight Cam
  - Stick-Up Cam Battery
  - Stick-Up Cam Wired
  - Ring Alarm Security Kit (5-Piece)
- Promotional codes are limited to one per household and cannot be re-used or applied towards previously purchased Ring products.
- Residents will need to pay an additional subscription fee if they would like to save device footage or sign-up for the alarm monitoring service.
- For more information about Ring's products, please visit [Ring.com/products](http://Ring.com/products).
- To learn more about Ring's Subsidy Match Program, please read our FAQ.

**\*\*For more information about the subsidy match program, please email [partnerhelp@ring.com](mailto:partnerhelp@ring.com).**

#### **About St. Regis Park**

St. Regis Park was first incorporated in 1953. It is a 4<sup>th</sup> Class City with over 600 homes. As a 4<sup>th</sup> Class City, St. Regis Park has control over development and zoning, the ability to raise revenue thru taxation and possesses police powers. Centrally located, St. Regis Park is close to many shopping and dining options as well as great public and private schools and places of worship.

#### **About Ring**

Ring's mission is to make neighborhoods safer by creating a Ring of Security around homes and communities. The Ring product line, along with Neighbors by Ring, enable Ring to offer affordable, whole-home and neighborhood security devices and services. In fact, one Los Angeles neighborhood saw a 55 percent decrease in home break-ins after Ring Doorbells were installed on just ten percent of homes. Hi everyone,

Here is the link to the signup form provided by Ring. Frank, could you please post this link on our website tomorrow- you can post it in the little spot that said "here" on the press release and maybe somewhere else? I spoke with our Ring contact who said we should post on the facebook page as well so if someone could do that tomorrow, it would be greatly appreciated. Cheryl if you wanted to post the link in your newsletter, that would be great as well. I am supposed to be getting daily reports on the progress and will keep you posted. This has been a long road with a lot of back and forth, I appreciate everyone's help/support with all the posting and such.

I will contact the media dept at ring and see what they suggest. BTW they were a bit weirded out by the fact that we all use our personal emails for everything. Wonder if we cant get any city emails from the website host. Just a thought

Please see the attached documents- Ring Press Release and a list of our residences based on city tax records from approx 10 days ago. Rental houses have been removed since their tax address can be in other states, but we will be happy to provide renters with codes as well. Let me know what else you need.

Thanks

@Kaleigh Bueckert-Orme I realized there are some parts not filled it...

The launch date is 8/15

\$100 is the discount

\$5,000 is funding amount from city, \$5,000 is funding amount from Ring

100 codes

9/29 is the end date if we don't sell out before.

Thank you!

Hi Craig,

The program opens at 8am on 8/15. When the subsidy is open, please make sure to post this application form - [https://docs.google.com/forms/d/e/1FAIpQLSedTqK-jDgBWnACBT5OzLcK4\\_KJv7LC4YuAEjpT7gMz8-EV1Q/viewform](https://docs.google.com/forms/d/e/1FAIpQLSedTqK-jDgBWnACBT5OzLcK4_KJv7LC4YuAEjpT7gMz8-EV1Q/viewform) and the team will begin to verify your residents and send codes to them. Codes are sent once daily M-F excluding all major holidays.  
Thank you!

Hi Craig,

I wanted to check in and let you know that we have 30/200 redemptions. The team will continue to send codes until the program sells out or the program expires which is 9/29.

Kirk on copy, will take over with communication and invoicing once I go on maternity leave which is going to be 9/13.

Thank you,
